Group Discounts (2 or More People) for Service-Learning Programs:

Bring family and friends... and save! If a service-learning participant refers a friend or family member to another service-learning program, he or she will receive a discount of 10% of the second participant's fees. Discount applies for each additional referral, so the more friends you bring, the cheaper your service-learning program becomes! (Participants referred must start projects on the same date for the discount to apply, but may work on different projects.) Please contact us for large group discounts (6 or more people). Returning volunteers also receive a discount of 10% on the fees of their second program. Please note that these discounts apply to Service-Learning Programs. Due to the initial reduced price for Volunteer Vacations GSC does not offer further discounts on Volunteer Vacation Programs.
